

Travel Clinics

Tuesday, 01 April 2008

Last Updated Tuesday, 22 April 2008

This is the time of year we are all thinking of our holidays!

Our practice nurses will be happy to answer your travel health queries.

Please ensure you give yourself plenty of time to have the necessary injections.

A charge may be made for some injections - for example 'Yellow Fever'; £50.

You may require a prescription from doctor so booking ahead for our practice nurse is essential. Avoid any last minute delays!
